### Book burning - Wikipedia

Book burning is the deliberate destruction by fire of books or other written materials, usually carried out in a public context. The burning of books represents an element of censorship and usually proceeds from a cultural, religious, or political opposition to the materials in question.. In some cases, the destroyed works are irreplaceable and their burning constitutes a severe loss ...

### Fahrenheit 451 - Wikipedia

Fahrenheit 451 is a 1953 dystopian novel by American writer Ray Bradbury. Often regarded as one of his best works, the novel presents a future American society where books are outlawed and "firemen" burn any that are found. The book's tagline explains the title as "the temperature at which book paper catches fire, and burns": the autoignition temperature of paper.
