Corporate social responsibility - Wikipedia

Corporate social responsibility (CSR) is a form of international private business self-regulation which aims to contribute to societal goals of a philanthropic, activist, or charitable nature by engaging in or supporting volunteering or ethically-oriented practices. While once it was possible to describe CSR as an internal organisational policy or a corporate ethic strategy, that time has ...

Online dispute resolution - Wikipedia

Definition. Dispute resolution techniques range from methods where parties have full control of the procedure, to methods where a third party is in control of both the process and the outcome. These primary methods of resolving disputes may be complemented with Information and Communication Technology (ICT). When the process is conducted mainly online it is referred to as ODR, i.e. to carry ...
