Multiculturalism - Wikipedia

Mexico City has recently been integrating rapidly, doing much better than many cities in a sample conducted by the Intercultural Cities Index (being the only non-European city, alongside Montreal, on the index). Mexico is an ethnically diverse country with a population composed of approximately 123 ...

Culture shock - Wikipedia

Culture shock is an experience a person may have when one moves to a cultural environment which is different from one's own; it is also the personal disorientation a person may feel when experiencing an unfamiliar way of life due to immigration or a visit to a new country, a move between social environments, or simply transition to another type of life.
