Sudden change of pedagogy in education driven by COVID-19 ...

1/12/2020 · While it is easier for tertiary institutions in the developed countries to migrate to online and virtual teachings (Langford & Dam?a, 2000), the COVID-19 has made it compulsory for tutors/lecturers in developing nations to rapidly adopt, consolidate and/or embrace the use of technology for survival at this challenging time.

Dementia prevention, intervention, and care: 2020 report ...

30/7/2020 · People in more cognitively demanding jobs tend to show less cognitive deterioration before, and sometimes after retirement than those in less demanding jobs.^{43, 44} One systematic review of retirement and cognitive decline found conflicting evidence.⁴⁵ Subsequently, a 12-year study of 1658 people found older retirement age but not number of years working, was associated with lower ...

Worries about life in 2025 | Pew Research Center

18/2/2021 · Charles M. Ess, a professor of media studies at the University of Oslo expert in information and computing ethics, said, “There is an ongoing shift towards what Habermas identified decades ago as ‘the colonization of the lifeworld’ by the

market logic of capitalism, both directly and indirectly (i.e., as more and more people seem incapable of thinking about values and relationships in ...

Homelessness Programs and Resources | SAMHSA

29/3/2019 · Learn how SAMHSA programs and resources help prevent and end homelessness among people with mental or substance use disorders. Men, women, youth, and families living with mental or substance use issues may need treatment, case management, and discharge planning in addition to financial support (e.g., employment assistance, Housing First programs, targeted rental/housing ...
