Serialism - Wikipedia

In music, serialism is a method of composition using series of pitches, rhythms, dynamics, timbres or other musical elements. Serialism began primarily with Arnold Schoenberg's twelve-tone technique, though some of his contemporaries were also working to establish serialism as a form of post-tonal thinking. Twelve-tone technique orders the twelve notes of the chromatic scale, forming a row or ...

List of art media - Wikipedia

Installation art is a site-specific form of sculpture that can be created with any material. An installation can occupy a large amount of space, create an ambience, transform/disrupt the space, exist in the space. One way to distinguish an installation from a sculpture (this may not apply to every installation) is to try to imagine it in a different space.
