Introduction This guide provides a basic introduction to the MLA citation style. It is based on the 8th edition of the MLA Handbook published by the Modern Language Association in 2016. This is a new edition of the book, and there are several significant changes to MLA style.. The MLA Handbook is generally used for academic writing in the humanities.

Chapter 2: Modes of Digital Communication – Digital ...

In *The Disappearance of Childhood* (1994), Neil Postman theorizes that the printing press in 1447 created the childhood we know today. In the medieval world, a child did not need to be able to read to work for a living, so children were expected to join the adult world of work as soon as they had mastered speech (around seven years old).
